---

As the SERVANTS of Christ doing the will of God from the HEART. Eph 6:6

## Support

- Staff members are not required to raise support. It is totally optional.
- Staff members may raise support from churches and interested individuals.
- If a staff member would like to raise support, they should ask their home church to be their “sending” church and to be responsible for receiving money and issuing check(s) to the staff member
- Only staff members that have completed high school may raise support
- Limit of \$300.00 per week for single staff members
- Limit of \$700.00 per week for a married couple
- Amount raised over the weekly limit should be given to SHC for expenses
- Support may be raised for the 10 days of staff training for a total of nine weeks
- Staff members should send at least two notes thanking the supporters and telling them about what God is doing at camp (one during the summer and one at the end of the summer)
- If you request, SHC will provide a letter explaining your responsibilities for the summer
- If you request, SHC will provide brochures, newsletters, and promotional flyers for use in raising support
- The raising of support should not be viewed as a burden but rather an opportunity to have a greater number of people supporting and praying for your ministry
