As the SERVANTS of Christ doing the will of God from the HEART. Eph 6:6

Dear Potential Staff Member,

Thank you for exploring the possibility of ministering at Servant's Heart Camp this summer. We are excited that you have considered serving with us. Please pray that God would make His will perfectly clear for you this coming summer.

It is an incredible experience to work at camp and to have the opportunity to directly impact so many lives throughout the summer. It is absolutely thrilling to help a teenager get their life right with Christ or to be gloriously saved. Staff this past summer told us that "it was the best summer of my life" or "I would not trade this summer for anything."

Servant's Heart is a young and small camping ministry, but we continue to stand in awe how God can use this seemingly insignificant camp for His glory. God not only works in the hearts of campers, but staff members also leave camp having been dynamically impacted by the power of God. We are looking for committed individuals that are willing to allow God to work in and through them this summer. Servant's Heart is not just a name, but it is our goal that each staff member would manifest a true servant's heart as they minister at camp.

In addition to the two Junior Camps, and the four Teen Camps, we also have two Young at Heart Days, and two Family Camps. Each staff member has unique responsibilities for each of the different camps.

After Servant's Heart has made the final determination concerning staff, each person that applied will receive a response. If you have applied for a scholarship, we will also let you know if you have been approved and the amount of that scholarship. If we invite you to serve on staff, we will send you a "Commitment Letter." When you sign and return that "Commitment Letter," you are committing yourself to serve at Servant's Heart next summer.

Again, we are thrilled and excited that you are considering Servant's Heart Camp. Our desire is that God would bring together a staff that truly loves the Lord, blends well together, pours their lives into campers and ultimately brings glory to God.

If you have any questions, please contact us.

Because of Christ,
