*Helping you to feel the Pulse of Servant's Heart*

## Winter Update

Although this may seem like the "slow" time of the year for Servant's Heart Camp, we have had lots of activity this winter. We made one college recruitment trip and also attended a two-day conference designed for camps. Wow, the information at that conference was so great that it was like drinking from a firehose! We also had two very special winter retreats. I wish you could have seen the sincerity of the kids as they "sat on the chair" and "got in the circle" to give everything to the Lord. I wish you could have heard the testimonies of numerous teenagers telling of God's work in their lives. One senior girl shared about a commitment she made to the Lord at camp two years ago. She has been faithful to that commitment since that time. Thank you for your interest in God's work at Servant's Heart Camp. To God be the glory, great things He is doing!

It is not uncommon for folks to comment about the quality staff that we have each summer. The task of finding that staff, however, can be a huge challenge. It is particularly difficult when we have applicants, but we are not sure they would be godly role models for our campers. Would you take a moment and think about godly, college-age young people that would be a fit for Servant's Heart Camp and could serve this summer? In addition, would you pray that God would send the staff of His choosing? Many weeks of summer camp, we believe that our staff has an equal or greater impact on our campers than the evangelist. Please pray with us.

## Summer Staff

## Banquets

We typically have a banquet every other year to update the friends of Servant's Heart Camp (18 years and older) of what God is doing at camp. Our first banquet this year is at 6:00 on Friday, April 17 at Shady Maple Smorgasbord in East Earl. The second banquet is at 4:30 on Saturday, April 25 at Prime Sirloin in Duncansville. The excitement was high for the 2010 banquet as we were able to share with our friends about the new property that we had just signed an agreement to purchase. The excitement for this year's banquets may be equal to or exceed the excitement of that banquet. In addition to the first public revealing of the final plans for the lodge, we also are excited to tell you about two other projects that are moving forward at camp. There is no cost to you for these banquets, but you must register. If you have any additional questions, please visit our website or give us a call. We would love for you to attend one of the banquets and hear an update of what God is doing.

## Free Summer Camp

A dear friend of the camp is making a special offer to all teens and juniors coming to camp this summer. For every unsaved/unchurched camper that comes to camp with you, our friend will pay \$50.00 of **your** camper fee. If you bring three campers, you will receive \$150.00 off your camper fee. If you bring five campers, you will come to camp FREE. In addition, if your friends have a financial need, they could apply for a scholarship and come to camp for only \$25.00. Our friend is very burdened for the unsaved; are you? Why don't you use this opportunity to provide a potentially eternity-changing week for some friends? Not only will our friend be paying, but he also will be praying for your friends. At this point, our online registration system is not set up for this unique offer. You and your friends should each pay the \$25.00 registration fee when you register online. After you register, please email us and we will apply the credits. If applicable, we will even refund your \$25.00 registration fee.

## Joyful Heart Conference

As of this writing, we still have room for you at the Joyful Heart Conference. The conference is an outstanding day of teaching, special homemade foods, door prizes, workshops, unique decorations, and practical teaching from God's Word for ladies 16 and older. The conference is on March 21 at Faith Bible Church in Mount Joy, PA. The speaker for the day is Toni Flanders. For more information visit our website or call 814-497-4100

## Resources

The three ministries listed here have been a tremendous blessing to us at Servant's Heart Camp. I would wholeheartedly recommend each of them. If you need an evangelist, call Dan Brubaker. If you love our brochures and some of the graphics on our website call Claire Ryan for some outstanding graphic design.
