Scholarship

Servant's Heart Camp seeks interested churches and individuals to sponsor staff that work at camp throughout the summer. Our goal is to give each person that applies at least \$1,000. In 2020, we were able to give \$1,500 to each applicant.

- Scholarships are not automatic. A staff member must apply for the scholarship.
- Only staff members that attended college the previous year and are planning to attend college the following year are eligible for this scholarship. Those that have not yet attended college but have served as a junior staff may also apply.
- The scholarship will go directly to the staff member's college bill.
- Staff members should send at least one (preferably two) thank you note to the supporters.
