Helping you to feel the Pulse of Servant's Heart

Starting to Dig

Current Progress

After many years of planning and praying, it is super exciting to have the lodge finally started. Based upon the budgetary figures we have received, we are planning to put the doors and windows in the lodge and have it under roof by this fall. I thought we had a huge amount for unknown contingencies. Because of some last-minute changes by the architect that affected the footers, walls, and steel, we have already used all the contingency money. We are still excited to continue moving forward for the glory of God.

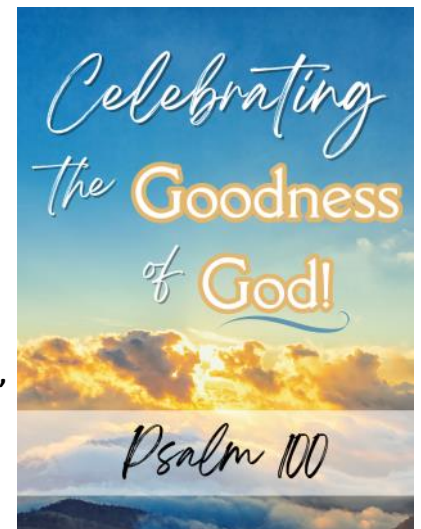

We have three volunteer work groups scheduled to come this year, and we are so very thankful. If you would like to be part of one of those groups, you can contact them for details. The three groups are "Independent Baptist Builders International"; "CLAIM," a ministry of Baptist International Missions; and "CLAMP Ministry," a ministry of Great Hope Baptist Church.

Please pray with us that this building can be finished, allowing us to expand the ministry of impacting lives for eternity.

Goal

Originally, we were thinking of having a groundbreaking service for the new lodge. However, with "April showers," it did not seem like a good time for that ceremony. We decided instead to have a Celebration of God's Goodness on August 3. By that date we expect to have the lower level wall up, the concrete poured on both levels, some of the framing started, and the retaining wall finished. Would you consider coming and celebrating with us on this special day? The event will begin at 11:00 a.m. and conclude at 4:00 p.m. It will include a Celebration of God's Goodness service, lunch, and some afternoon free-time activities. Lunch will include a pig roast, sweet corn, baked beans, and home-cranked ice cream! Wagon rides, kiddy wagon rides, Lakeglide, property tours, and Blamzookas are just some of the free time activities we will offer during this day. There is no cost to you for this exciting celebration, but you must register. Please go to our website and click on the link to register. We look forward to seeing you on August 3.

this & that

So much has happened since the last newsletter. Here are just some of the highlights of what God has been doing recently.

- ◆ We now have a livestream of the construction site. You can go to our website and click on the Lodge tab. Scroll down a bit and you can see what is happening any time. I often wave when I walk past the camera. Let me know if you see me!
- ◆ The Lord provided a 2022 Kubota SVL 75-2 skid loader. If you have not read the story about how God provided it, go to our website and read the February 15 blog post.
- ◆ We have a complete staff for this summer, and I think it will be an outstanding group of young people. I am excited for staff training to start.
- ◆ We still have room in two teen camps and a few spots in one junior camp. If you know some young people that would benefit from camp, please register them soon.
- ◆ This year we timbered a large section of our property. We used a portion of that money to replace our very unreliable side by side. It is so nice to have a dependable diesel Kubota.
- ◆ On Sunday mornings this summer, we will be taking a portion of our staff to churches that are within two hours of camp. We will provide a video, special music, testimonies, and preaching. If you would like to invite our staff for a Sunday morning service during camp, please contact us.

We are so very thankful for each of you who have supported us in so many ways. Please do not stop now. The needs are still great. To God be the glory, great things He is doing!!

**A new faster and easier way
to give!**

Servant's Heart Camp has teamed with our bank to accept ACH payments. It is super simple, and we would encourage you to consider this option for your regular giving. How does it work? You simply request a bank information sheet from us by phone, text, or email. We send you the sheet, and you simply need to fill out the following information and send it back to us:

- ◆ Your name, address, and contact information
- ◆ The amount you would like to give each month
- ◆ The date you would like it transferred from your account
- ◆ Your bank routing and account number
- ◆ Your signature and the date

You will not need to write a check, make a credit card payment, or use PayPal. The payment will be taken automatically, and neither you nor Servant's Heart Camp will incur a transaction fee.

On Friday, May 3, Hannah Huber graduated from Ambassador Baptist College with a secretarial degree. We are super excited that she accepted our offer to serve as the camp secretary. Although she will be here full-time over the summer, after summer camp she is scheduled to start working 20 hours per week throughout the remainder of the year. She will be taking on a very large portion of the day-to-day secretarial responsibilities as well as many other various tasks that will present themselves.

Welcome, Hannah!
