Summer Staff Scholarships

Servant's Heart Camp seeks interested churches and individuals to sponsor staff that work at camp throughout the summer. Our goal is to give each applicant at least \$1,000. Most staff who have applied have received \$1,500 toward their school bill.

- Scholarships are not automatic. A staff member must apply for the scholarship.
- Only staff members who attended college the previous year and are planning to attend college the following year are eligible for this scholarship. Those who are planning to start college in the fall and have served as junior staff in the past may also apply.
- The scholarship will go directly to the staff member's college bill.
- Staff members should send at least one (preferably two) thank-you notes to the supporters.
