Helping you to feel the Pulse of Servant's Heart

## Projections for 2025

At the end of 2024, we had spent \$1,007,872.73 on the lodge and successfully enclosed it for winter. We are thankful to our great God for miraculously supplying for this building. As a small ministry, God's provision has been overwhelmingly generous.

## 2025 Goals and Steps of Progression

The board, with recommendations from our project manager Bill Ford, has set the following goals of progress for this year.

**Front Decks**—Starting this week, we plan to begin working on the front decks.

**Doors and Windows**—After completing the decks, we plan to install the doors and windows.

**Soffit, Fascia, and Siding**—In August, a group from BIMJ will come to install the soffit, fascia, and siding. Last August they accomplished an impressive amount of work, and we are cautiously optimistic about this year.

**Large A-Frame Window**—As finances permit, we hope to install the large A-frame window on the front of the lodge.

**Stonework**—Finally, we aim to install the stonework on the front of the lodge.

## Financial Projections

The total cost for all 2025 projects is projected at \$454,000. After receiving some very generous donations at our two banquets, we currently have \$230,000 to put toward our projects. This leaves us with a shortfall of \$224,000 to finish everything for this year. We are optimistic and grateful for continued support and provision as we move forward with these plans.

Please pray with us concerning the \$224,000 needed for this portion of the project. As we watch the Lord provide, let us simply remember:

Family Camp has become one of the favorite camps of the staff at Servant’s Heart. They simply love serving families as they play together, pray together, and purpose to grow together. At least one staff member is assigned to each family that comes to Family Camp, and that staff member will help in any way possible. They will stay with napping children, help in the meal lines, take your children to fun games, or just get out of your way so you can have some time as a family. Each day has some activities that are enjoyed together as a family and other activities that are age-specific. Our split session are broken into four different age groups (nursery, juniors, teens/young adults, and parents) to ensure there is something for everyone. Often this is the first camp to fill, but this year we still have two open cabins and a couple RV sites for Family Camp 1 (June 30-July 2). Why don’t you check out our website or talk to some folks that have attended in the past? Then get registered and join us for Family Camp. We believe that it will be good for your family emotionally, physically, and spiritually.

The registrations for our *Adventure on the High Seas* summer camp this year are very strong. We have a new church from Michigan, another from Indiana, and another from Pennsylvania. There is one other out-of-state church that is planning to come as well. There is still room, but we suggest that you climb aboard and register soon. Here is a listing of the Teen and Junior Camps and the number of available spots.

- ⇒ Young at Heart Day - June 6 - An outstanding day of food, skits, fun, ziplining, special music, and preaching from God’s Word.
- ⇒ Young Adult Retreat - August 7-9 - This retreat is for singles from age 18 to 30. It is a wonderful weekend of food, games, preaching, and fellowship.
- ⇒ Father-Son Retreat - August 28-30 - This is a unique and special time for fathers and sons to build lifelong memories.
- ⇒ Men’s Retreat - September 5-6 - A time to shoot guns, participate in competitions, hear convicting preaching, and fellowship with other men.
- ⇒ Fall Workdays - September 11-13 - A great time to help clean up the camp and enjoy encouraging fellowship.
- ⇒ Ladies’ Retreat - October 16-18 - Because of some unexpected events, we were forced to cancel this retreat last year, so register today and don’t miss it this year!

- ⇒ This past summer, our staff visited about 10 different churches to present the ministry, provide special music, and preach. With the very busy schedule during the week, we decided to cut back on the number of churches we visit this summer. If, however, you are within two hours of the camp and we did not visit you last year, we would love to visit you some Sunday evening. Please contact us if you are interested.
- ⇒ In March, Ben Risinger resigned from his position as Program Director. Many of you have grown to love and appreciate Ben, and you can imagine the void that this creates. We do have a young man who has served during previous summers and is returning this year to serve as the Activities Director. We are very thankful he is coming to help us this summer.
- ⇒ As of May 1st, we received one application for a male counselor who we believe will be a great fit for camp. Please continue to pray for the one male counselor we still need.
- ⇒ The 2026 Joyful Heart Conference, *Ship Ahoy*, will soon be on our website. Although the conference is not until March, this past year the conference was filled by the middle of January. Put it on your calendar and register early!
